

Christmas Eve Service

Friendship U M C

388 Needy Rd. Martinsburg

In light of the fact that many of our members, friends and neighbors are not able to attend evening services, we have decided to offer an alternative service to accommodate them.

If you too will not be able to attend an evening service, whether because of night-time driving difficulties or obligations to family or any other reason, we would love to share with you, in Scripture and song the blessed story of Christ's birth.
